### Cl. 169.—Royal Warrant—Pay of Garrison and Regimental Provost Serjeants and Provost Cooks.

#### VICTORIA R.

WHEREAS we deem it expedient to revise the rates of pay of garrison and regimental provost serjeants, and provost cooks of our Army, as laid down in Articles 605 and 647 (§ 7) of Our Royal Warrant of 27th December, 1870;

Our will and pleasure is that the aforesaid Articles, so far as they relate to the pay of provost serjeants and their assistants, and provost cooks, be cancelled, and that the pay of those appointments shall be in future regulated by the present Warrant.

1. The provost serjeant of a regiment shall be allowed a daily rate of pay at 6d. a day, in addition to regimental pay, so long as it is certified that the duties are efficiently performed.

2. That rate of pay shall be increased according to the following conditions:—

If the regiment is quartered singly at a station, and provost cells are actually under the charge of the provost serjeant, he shall receive pay at 8d. a day.

If other troops are serving at the same station, and the provost serjeant has charge of their prisoners, he shall receive—

When the additional troops are of a strength of 100 men or under...	16d. a day.
When over 100 up to 300 inclusive ... ..	1s. 0d. "
When they exceed 300 ... ..	1s. 2d. "

3. The provost serjeant of a regimental detachment not under the strength of two troops or companies, or of a battery of Royal Artillery, shall receive pay at 2d. a day less in each case than the foregoing rates.

4. The provost serjeant in a garrison who, in consequence of the cells being situated apart from the barracks, has not the police duties of a particular barrack to perform, shall receive pay at 8d. a day only for taking charge of the cells.

## ARMY CIRCULARS—continued.

5. The daily pay of provost serjeants and their assistants shall in other cases be as follows, in addition to ordinary pay or pension:—

The provost serjeant of a regiment on board ship	... ..	8d. a day.
The provost serjeant of a wing or detachment not under the strength of two troops or companies, or a battery of Royal Artillery on board ship	... ..	6d. "
The provost serjeant in charge of military convicts or court martial prisoners on board ship—		
If the number of prisoners be 10 or under	... ..	4d. "
If the number of prisoners be over 10	... ..	6d. "
Assistant to provost serjeant, if specially authorized	... ..	6d. "
Provost cook	... ..	4d. "

6. The above rates of pay shall be applicable to all garrison and regimental provost serjeants and their assistants, and to provost cooks, except only in cases where, owing to the exceptional importance of the duties performed, a special rate of remuneration shall be sanctioned by Our Secretary of State for War.

Given at Our Court at Windsor, this 26th day of November, 1872, in the 36th Year of Our Reign.

By Her Majesty's command,

EDWARD CARDWELL.

*Secretary of State's Instructions on the foregoing Warrant.*

With reference to Clause 139, Army Circulars, 1871, the pay of all provost serjeants, assistant provost serjeants, and provost cooks, under the foregoing warrant, with the exception of those serving on board ship, will invariably be charged in the accounts of control paymasters.

### Cl. 170.—Travelling Allowances.

*Further Explanatory Directions on the Royal Warrant of 20th March, 1872*

[Clause 51, Army Circulars, 1872].

1. It is notified with reference to § 2 of the Explanatory Directions attached to the Royal Warrant of 20th March, 1872 (Clause 51, Army Circulars, 1872), that officers of Royal Artillery at home, except when they proceed with troops under route, will be paid their travelling expenses by the control paymasters of their respective districts. When they proceed under route their travelling expenses will be charged as heretofore in the regimental pay lists.

2. As some misapprehension appears to exist as to the proper method of charging the travelling expenses of officers, non-commissioned officers and men proceeding under route—a portion of the expenses being sometimes charged in one set of accounts, supported by the route, while the remainder of the expenses are charged in a different set of accounts, supported by a reference to the route—it is to be distinctly understood that the whole of the expenses incurred under a route must be charged in the accounts of the same paymaster and be supported by the route.

3. When it can conveniently be done such charges should appear in the regimental accounts.

### Cl. 171.—Accounts of Regiments proceeding to India.

1. When a regiment proceeds to India, the paymaster will transmit to the War Office with the pay list for the period prior to embarkation, a nominal list of the officers, non-commissioned officers and men who actually embark with the regiment.

2. This list will contain all the particulars generally afforded in a No. 1 Report.

3. When examined in the War Office it will be certified by the Accountant-General of the Army and returned to the paymaster to be supplied to the local authorities in India as a voucher to the voyage pay list of the regiment.

## CONTROL SERVICES.

### Cl. 172.—Rents.

Paragraph 294, section 7, of the Control Regulations (Revised Army Regulations, vol. 4), should be corrected as follows:—

294. The controller will furnish the control paymaster with all necessary instructions in reference to the receipt of rents, acknowledgments for encroachments and every kind of revenue yielded by the property; and in the event of any difficulties or delays in the payments, the controller will bring the same to the notice of the commanding Royal Engineer, who will take the necessary action.

## ARMY CIRCULARS—continued.

**Cl. 173.—Painting Carriages, Wagons, Carts, and Platforms.**

1. The annexed list (see Appendix) [not printed] showing the quantity of paint, putty, and other materials required for painting and repairing carriages, wagons, carts, and platforms, will be substituted for the lists promulgated with War Office Circular, No. 930, which is hereby cancelled.

2. The paint and composition will be supplied from Woolwich on demand, "prepared ready for use." In order, however, to ensure as far as possible that these articles may always be in good condition, they must not be demanded in larger quantities than will suffice for the requirements of each district for twelve months.

3. The paint will require no "thinnings" unless kept in store for a lengthened period, but should always be well stirred before being used.

**Cl. 174.—Regimental Equipment Ledgers of Attached Depôts.**

1. Officers commanding regiments to which depôts are attached, will from 1st January, 1873, keep a separate equipment ledger for each depôt, and surrender it in accordance with Clause 111, Army Circulars, 1871.

2. The equipment of each depôt will be transferred from the regimental ledger to the new account on the 1st January, 1873.

3. Paragraph 16, Clause 181, Army Circulars, 1870, is hereby cancelled.

**Cl. 175.—Pioneers' Appointments.**

Instructions for altering certain portions of the pioneers' appointments to suit the valise accoutrements are published as an Appendix to this clause, for the information of all who may be concerned. Attention is also directed to the list of changes in pattern for the current month.

**Cl. 176.—Instructions for making-up Ammunition, or Filling Shells, in Artillery Magazines.**

1. Instructions to be observed in making-up ammunition, or filling shells, in Artillery magazines, are issued with this Army Circular to officers and others concerned.

2. Paragraph 1 of the "General Instructions for the guidance of Officers and others in charge of Artillery Magazines," which were issued with Clause 101, Army Circulars, 1872, is cancelled, and the following will be substituted:—

All soldiers employed in magazines will, before entering the same, change their own clothes and boots for magazine clothing and slippers. This will be effected in a shifting house, where the clothing and boots taken off will be deposited.

**Cl. 177.—Gunpowder Magazines.**

With reference to § 2, Clause 160, Army Circulars, 1872, it is notified that Clause 104, Army Circulars, 1870, is not wholly cancelled. Paragraphs 33, 34, and 35, of Clause 104, Army Circulars, 1870, still remain in force.

**ARMY ADVERTISEMENTS.****Cl. 178.**

The "Aberdeen Free Press" has been added to the list of newspapers in which Army advertisements may be inserted as notified in Clause 181, Army Circulars, 1871, and Clause 161, Army Circulars, 1872.

**WAR OFFICE FORMS.**

**Cl. 179.**—W. O. Form 554, "Size Roll for Frocks," is obsolete.

**APPOINTMENT OF ASSISTANT DIRECTORS OF WORKS.****Cl. 180.**

The Secretary of State has appointed Lieutenant Colonels Charles Butler Peter Nugent Hodges Nugent, Edward Charles Ashton Gordon, and Philip Ravenhill, of the Royal Engineers, to be Assistant Directors of Works.

## 1872.

*War Office, 24th October, 1872.*

### VOLUNTEERS.

#### Certificates of Efficiency.

1. From 1st November, 1872, a volunteer, in order to obtain a Certificate of Efficiency, must fulfil the conditions prescribed in Her Majesty's Order in Council, dated 27th July, 1863, as amended by the Order in Council, dated 15th October, 1872 (vide Appendix).

2. Article 67 and Appendix QQ. of the Volunteer Regulations, 1863, will accordingly be cancelled on the 1st proximo.

3. The courses of instruction for engineer volunteers, referred to in paragraphs (g) and (h), Clause 2, of the Scheme annexed to the last-named Order in Council, are given in Appendix, and the revised forms of Certificates of Efficiency to be used on 1st November, 1872, and in subsequent years, may be obtained upon application.

4. Where it can be proved to the satisfaction of the Secretary of State that, from the circumstances of locality, it is not possible for the members of a rifle volunteer corps to fire five rounds of blank ammunition in a squad of five files or upwards, the issue of the capitation grant will not be withheld provided such members, otherwise qualified for efficiency, have fired the same number of rounds in squads of not less than two files.

5. In order that a rifle volunteer may become efficient, so far as target practice is concerned, by firing twenty or forty rounds only and passing into the 2nd Class, a classification will be made after firing the first period, instead of postponing it till after the second, as prescribed in paragraphs 39 to 42, pages 207 and 208 of the Rifle Exercises and Musketry Instruction, 1870. Any volunteer who fails to make thirty-six points in the first period may repeat his practice in the 3rd Class.

6. Any Commanding Officer who may wish to reckon the drills and class firing of November, 1872, as well as those of November, 1871, for the current volunteer year, must bear in mind that drills and class firing so reckoned cannot be again counted towards efficiency for the year ending 31st October, 1873.

7. The capitation allowances issued during the financial year 1873-4, being based upon the Annual Returns of 1st November, 1872, will be issued in accordance with Articles 259 to 262 of the Volunteer Regulations, 1863, subject to the modification as to honorary officers contained in Volunteer Circular, No. 40, and to that as to combatant officers in Clause 39, Auxiliary and Reserve Forces Circulars, 1872, and to the alteration of the rate of travelling allowance from 4s. to 5s.

*War Office, 12th November, 1872.*

#### Surplus Arms.

Commanding officers of volunteer corps having surplus arms in possession, will place themselves in communication with the district controllers, with a view to the return of such arms into store, unless there is an immediate prospect of their being required for recruits. In the case of an administrative regiment the communications will, as usual, be forwarded through the field officer commanding. Commanding officers will report to the War Office the number of arms returned.

APPENDIX TO AUXILIARY AND RESERVE FORCES  
CIRCULAR.

## ORDER IN COUNCIL.

At the Court at Balmoral, the 15th day of October, 1872.

Present,—The Queen's Most Excellent Majesty in Council.

WHEREAS by the eleventh section of the Volunteer Act, 1863, it is amongst other things enacted that "Her Majesty in Council may, from time to time declare what is requisite to entitle a volunteer to be deemed an efficient volunteer by an Order in Council defining for that purpose, the extent of attendance at drill to be given by the volunteer, and the course of instruction to be gone through by him, and the degree of proficiency in drill and instruction to be attained by him and his corps, such proficiency to be judged of by the inspecting officer at the annual inspection of the corps, or otherwise, as by Order in Council is from time to time directed;" and "That the draft of any scheme to be from time to time submitted to Her Majesty in Council for approval under the present section, shall have been laid before both Houses of Parliament for one lunar month at least, either before or after, or partly before and partly after the passing of this act, during the present, or for the like period during any subsequent session of Parliament, before such scheme receives the approval of Her Majesty in Council."

And whereas by an Order in Council, bearing date the 27th day of July, 1863, what was requisite to entitle a volunteer to be deemed an efficient volunteer was declared, which order it is deemed expedient to amend in manner hereafter mentioned.

And whereas a draft scheme of amendments relative to the efficiency of volunteers, as set forth in the said Order in Council, was on the 18th June last laid before both Houses of Parliament in the words and figures mentioned and set forth in the Schedule to this Order annexed; and one lunar month having elapsed since that time, the said scheme hath this day been submitted to Her Majesty in Council for her approval thereof.

Now, therefore, Her Majesty, having this day taken the said scheme into consideration, doth in pursuance and exercise of the power in Her Majesty by the said Act of Parliament in that behalf vested, and by and with the advice of her Privy Council, hereby declare her Royal approval of the said scheme.

And that the same shall come into operation on the 1st of November next, but so that the drills of November, 1871, and November, 1872, shall be reckoned if need be to complete the number of drills needed for the efficiency of a volunteer for the year ending 31st October, 1872; but if the drills of November, 1872, be so reckoned, then they shall not be again reckoned for the year ending 31st October, 1873.

EDMUND HARRISON.

## Scheme of Amendments relative to the Efficiency of Volunteers as set forth in Her Majesty's Order in Council, dated 27th July, 1863, referred to in this Order.

1. The certificates of efficiency granted to enrolled members of the Volunteer Force hereafter, shall be dated the 1st November in each year. They shall be granted on the previous submission of the adjutant, and be signed in case of difference of opinion between that officer and the commanding officer of the corps by the officer appointed by one of Her Majesty's Principal Secretaries of State to act on that behalf, in lieu of the assistant inspector of volunteers as heretofore provided. If no adjutant be appointed to, or acting for a corps, the certificate shall be granted and signed as the Secretary of State may direct.

2. In order that the efficiency of the volunteers may be increased, the certificates shall, in addition to, or in substitution for, the requirements prescribed by the former Order in Council, state—

(1) As to all the corps :

(a) That the volunteer does not belong to the Regular, Militia, Yeomanry, or Army Reserve (including enrolled pensioner) Forces; and that he is not enrolled in any other Volunteer Corps.

(b) That the volunteer was a member of the corps at the date of the certificate.

(c) That, if absent from inspection with leave of the commanding officer, or through sickness duly certified, he has attended two extra drills.

## UXILIARY, &amp;c. CIRCULARS—continued.

- (d) That each drill is of not less than one hour's duration.  
Attendance at a brigade drill may be counted as a drill towards efficiency, but attendance at a review must not be so reckoned.
- (2) As to Light Horse:
- (e) That the volunteer is in all respects acquainted with his duties as a Light Horse Volunteer, and that he has attended such a number of drills, as under the Regulations heretofore in force would entitle him to an extra certificate of efficiency.
- (3) As to Artillery Volunteer Corps:
- (f) That the volunteer has been instructed in the use of gyna, if the means of instruction have been available.
- (4) As to Engineer Volunteer Corps:
- (g) That he has gone through the course of instruction prescribed for a recruit in regulations issued by one of Her Majesty's Principal Secretaries of State.
- (h) That he has attended six engineering drills and acquired a practical knowledge of one of the annual courses of instruction prescribed for Engineer Volunteers in Regulations issued by one of Her Majesty's Principal Secretaries of State.
- (i) That he was present (unless absent with the commanding officer's leave or through sickness duly certified) at the last annual inspections (drill and engineering) of the corps.
- (5) As to a Mounted Rifle Volunteer:
- (j) That he fired twenty rounds of ball cartridge in the first period of class firing, in accordance with the Musketry Regulations for the Army.

Or,

That on the 18, he completed the three periods of class firing under the personal superintendence of the adjutant or other officer appointed under the Secretary of State's authority to act as such, and obtained the number of points to qualify him (so far as target practice is concerned) as a marksman under the Musketry Regulations for the Army, and in either case that he has attended such a number of drills, as under the Regulations heretofore in force would entitle him to an extra certificate of efficiency.

## (6) As to Rifle Volunteer Corps:

- (k) That he fired sixty rounds of ball cartridge in class firing during the year; or fired twenty or forty rounds, and passed into the second class.

Or,

That on the 18, he completed the three periods of class firing under the personal superintendence of the adjutant or other officer appointed by the Secretary of State to act as such, and obtained the number of points to qualify him (so far as target practice is concerned) as a marksman under the Musketry Regulations for the Army.

- (l) That he fired five rounds of blank ammunition in volley firing and five rounds in independent firing during the year in a squad of not less than five files.
- (m) That he attended nine company and battalion drills during the year, of which at least three shall have been battalion drills.

This is in substitution of the rule which required attendance, in the case of an administrative regiment at three battalion and six company drills, and in that of a large corps, at six battalion and three company drills.

- (n) To constitute a battalion drill reckoning towards efficiency, 100 at least of all ranks (exclusive of permanent staff and band) must be present, of whom not less than sixteen must be officers and sergeants.

To constitute a company drill reckoning towards efficiency, twenty at least of all ranks (exclusive of permanent staff and band) must be present, of whom not less than three must be officers and sergeants.

3. The inspecting officer at the annual inspection may direct the withholding of a certificate for or in respect of any volunteer whose sword, carbine or rifle may, in the opinion of such officer, be in bad order and condition, and all certificates shall be withheld by order of the Secretary of State from all efficient volunteers belonging to a Volunteer Corps not inspected during the year by reason of its own default.

4. If any regiment or corps shall have in any year attended for not less than four clear days at a camp of instruction, not including the days of assembly and return, one of Her Majesty's Principal Secretaries of State may make such modifications in respect to the qualification for efficiency of the members of such regiment or corps as may appear to him to be desirable to meet the circumstances of the case.

## AUXILIARY, &amp;c. CIRCULARS—continued.

5. If in any one year a volunteer is resident during the drill season of his corps at a greater distance than ten miles from its head-quarters, he may (with the written consent of both commanding officers) be attached for drill purposes to another corps. In such case, all his drills for efficiency (including attendance at inspection) must be performed with that corps, but he must wear the uniform of his own corps.

6. The term "recruit" used upon the forms of certificate means a volunteer who has not served for at least six months in Her Majesty's Regular Forces, or served and attended training in a regiment of Militia, or who has never been returned as efficient in an annual return of a Volunteer Corps.

**GEN. ORDERS—continued.**

- (b.) *Cash-book of daily takings* (form B) to be signed by an officer of the canteen committee, and by the canteen serjeant daily. The total monthly expenditure will also be shown in this book, which is to be in charge of an officer of the committee.

- (f.) *A guard-book* containing duplicates of the monthly abstract and other accounts (form F), to which the signatures of the committee of officers, in original, will be attached.
- V. It is necessary that these books should undergo every month a thorough investigation by the committee of officers, who will, in connection with them,
- 1st. Take stock of supplies on the 1st of each month, for which purpose the canteen should be closed until noon on that day.
  - 2nd. See that the amount of stock, as shown by the bills, agrees with that entered in the "stock and cash ledger" (form A).
  - 3rd. See that the value of the consumption, as shown by the "daily stock-book," (form C.), corresponds with the receipts in the "daily cash-book," (form B.).
  - 4th. Verify the correctness of the monthly abstract and other accounts.
- VI. G.O. 98 of 1868, paragraphs 1026 and 7, and Appendix 7, "Queen's Regulations and Orders for the Army," are hereby cancelled.

**G.O. 99.—Certificates of Education.**

Non-commissioned officers and soldiers who obtained certificates of education previous to the publication of G.O. 70 of 1871, and whose certificates are consequently printed on cards, may have the fact recorded in their pocket ledgers on the middle of p. 29, after record of distinctions and medals, in the following manner:—

**Certificates of Education.**

the head of the department in which the applicant was serving at the period when the decoration was earned.

**G.O. 103.—Musketry.**

I. No. 664, Private G. Bryant, 62nd Foot, who is the best shot of the Army for the year 1871-72, has been awarded the prize of 20*l*. and the silver medal.

II. This soldier gained a similar distinction in the annual course of rifle practice for 1870-71.

**G.O. 104.—Returns.**

It appearing that considerable want of uniformity exists in the mode of accounting for certain ranks of officers and non-commissioned officers in the monthly returns, the following instructions are issued for general information, viz:—

1. Medical officers, although not borne on the regimental establishments, are to be retained on the effective strength, and are not to be reported under the head of "officers attached."

2. The armourer serjeant, if actually belonging to the regiment, should be included in the effective strength, but, if belonging to the corps of armourers, should be shown as "attached."

3. The canteen serjeant, if belonging to the regiment, should be included in the effective strength, in the column of *Serjeants*, but if a pensioner, should be shown as "attached."

4. Trumpet, drum, bugle, and pipe majors should be accounted for in the column of drummers, and not in that of serjeants.

**G.O. 105.—Returns.**

I. Referring to G.O. 93 of 1871 (Appendix), and to para. 533 of the "Queen's Regulations and Orders for the Army," it is hereby notified that the quarterly return of soldiers confined in provost cells at home and abroad (W. O. Form 744) which has hitherto been forwarded to the Adjutant General, will, in future be transmitted to the Inspector General of Military Prisons, 44, Parliament Street, Westminster, S.W.

II. The form of return has been lately revised, and now requires additional information to be given regarding the number of men confined in civil gaols during each quarter.

III. The corresponding W. O. Form 745, for provost serjeants, has also been revised.

**G.O. 106.—Volunteers.**

Commanding officers will arrange that all parades for the purpose of instructing or testing the proficiency of volunteer officers shall be at the ordinary hours for daily drill, so that no extra duty may thereby be imposed upon the troops.

**G.O. 107.—Harvesting.**

Para. 180 of the Queen's Regulations and Orders for the Army is to be corrected as follows:

180. There will be no objection to soldiers being allowed, at the discretion of general officers in command, to assist in collecting the harvest, when application is made for that purpose, provided that the employment of the population is not thereby interfered with. *Such permission however will not be granted, in cases where strikes or disputes between farmers and their labourers exist. All such cases should be reported to the Adjutant General, for immediate submission to the Field Marshal Commanding in Chief for the information of the Secretary of State for War.*

By command,

RICHARD AIREY,  
Adj. Gen.
